

MAKE THE MOST OF AN O&GA NETWORKING EVENT

O&GA events are attended by oil and gas administrative and support professionals, vendors, people that are interested in getting into the oil and gas industry, and those that are just curious to know what we are all about. We provide a unique opportunity to build relationships and communities across companies and across the oil and gas industry.

O&GA Networking Events Have Three Primary Purposes:

1

Connecting and Building Relationships

2

Showcasing Fabulous Establishments

3

Building Strong Communities

BUILD RELATIONSHIPS!

Make the event work for you!

1. Commit to meeting people from other companies and to establishing at least five (5) great connections.
2. Connect with the host venue's sales manager and learn more about their venue and services.
3. Remember to exchange business cards and contact information.

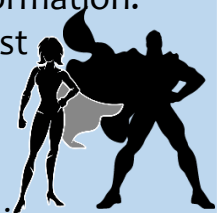

GET TO KNOW OUR HOSTS!

O&GA networking events are generously sponsored by venues that provide a range of services from food and beverages to activities and giveaways. Our goal is to showcase the awesome venues available to oil and gas professionals for meeting and event services, and more!

Get to know the event host:

1. Introduce yourself to the event host and obtain their contact information.
2. Follow-up with the event host to schedule a private tour.
3. Search for opportunities to use their services.
4. Share their contact information with your colleagues and friends.

BUILD COMMUNITIES!

Follow-up and reconnect!

1. Commit to reconnecting to the people you met at the networking event.
2. Learn more about the vendors you met at the event and commit to visiting their venue or to looking for opportunities to use their services.
3. **CONNECT ON LINKEDIN** and O&GA social media sites.
4. Join O&GA by becoming a professional or vendor/supplier member and connect to the O&GA online community!
