Expecting to Win: The 3 "F's" of Winning

Are you expecting
to win?

What are you
expecting?

Research by *University of Scranton* says that 92 percent of people that set New Years goals never achieve them.

1 / 3 of all leaders
will abandon their
dream.

The 3 “F’s” of Winning

FEARLESS

Being **fearless** doesn't mean you WON'T FEEL the emotion of fear... but it does mean you won't be **consumed** and **limited** by it.

FORTITUDE

Your **mindset** will
override your **skill set**
when it comes down
to taking you to your
next level.
