WELCOME TO OIL & GAS ADMINS INTERNATIONAL

Thank you for your interest in partnering with Oil & Gas Admins International. Oil & Gas Admins International was founded to foster exceptional career and personal development and performance through education and networking. We work to expose oil and gas administrative and support professionals to industry information and technologies to develop the necessary skills required for career advancement and to most effectively support the global and diverse oil and gas industry.

O&GA International offers businesses and organizations meaningful and effective ways to engage with the gatekeepers of the oil and gas industry. Not only will you have an opportunity to engage with industry decision makers, but our members will also recognize your support and commitment to building positive and valuable relationships.

On behalf of our leadership team and members, we truly appreciate your support and look forward to partnering with you!

Sincerely,
La Donna Finnels-Neal
Founder and CEO
